P58-1

Format No.: F04-QC/SOP/015-02			
LIFE Pharma FZE, Jebel Ali, Dubai, U.A.E.			
FORMAT			
Title : Certificate of Analysis For Working Standard			
Name of Material : Pseudoephedrine Hydrochloride Ph.Eur			
Item	: Pseudoephedrine Hydrochloride Ph.Eur		Evaluated with : EPCRS
Date of Preparation	: 18.05.2016		Batch no. : 3
Storage Condition	: 2°C – 8 °C		
Direction for use	: as is basis		
Used Before Date	: 17.05.2017		
Working standard no.	: WS/P3/3		
Source B. No.	: 218913		
A.R. No.	: 16GE00534		
Reference		: QC/SPEC/RM/106-03	
S No.	Test	Standards	Results
1	Description	White or almost white, crystalline powder or colourless crystals.	White crystalline powder.
2	Identification by IR	The IR absorption spectrum of the preparation of test specimen, exhibits maxima only at the same wavelengths as that of a similar preparation of the corresponding pseudoephedrine HCL CRS/ working standard	Complies
3	Loss on drying (%m/m)	NMT 0.5	0.2%
4	Assay (%m/m)	99.0 to 101.0 (Calculated on the dried basis)	100.7 %
		On As is Basis	100.5 %
Remarks: The above results Complies as per specification and material is certified to be use as working standard.
