QUALITY CONTROL CERTIFICATE OF ANALYSIS

CETIRIZINE HYDROCHLORIDE WORKING STANDARD.

Batch no: 12CTH043	Pharmacopoeia: BP 2010
Mfg date: 08/12	Exp date: 07/16
Stores ref no: ST2012/10/542	Qc ref no: QCM2012/10/542
Manufacturer: Valkunth Chem Ltd	Supplier: Precise Logistics Ltd

Tests	Specification	Results
Appearance	White or almost white powder.	White powder.
Identification	A. Specific absorbance at the absorption maximum is 359 to 381. D. The precipitate dissolves easily with the possible exception of a few large particles which dissolve slowly.	A. 372 D. Complies
Solubility	Freely soluble in water, practically insoluble in acetone and in methylene chloride	Freely soluble in water, practically insoluble in acetone and in methylene chloride
Appearance of solution	Solution S is clear and not more intensely coloured than reference solution BY7.	Complies
pH	1.2-1.7	1.53
Loss on drying	Maximum 0.5 per cent	0.26%
Sulphated ash	Maximum 0.2 per cent	0.08%
Assay	99.0% to 100.5%	100.22%

The Sample above **complies/does not comply** as per the **Bp/Usp/IP/Inhouse** specification
