

| REAGENTS USED |                          |              |               |             |             |         |
|---------------|--------------------------|--------------|---------------|-------------|-------------|---------|
|               | Reagent Name             | Manufacturer | Lot/Batch No. | Date Opened | Expiry Date | Remarks |
| 1.            | Sodium Phosphate Dibasic | lobal chemie | xxxxxxx       |             |             |         |
| 2.            | TRIETHYLAMINE AR         | RANKEM       | xxxxxxx       |             |             |         |
| 3.            | ACETONITRILE HPLC        | RANKEM       | R22B12        |             |             |         |
| 4.            |                          |              |               |             |             |         |
| 5.            |                          |              |               |             |             |         |
| 6.            |                          |              |               |             |             |         |
| 7.            |                          |              |               |             |             |         |
| 8.            |                          |              |               |             |             |         |

| EQUIPMENT USED |                            |                   |                          |                          |         |
|----------------|----------------------------|-------------------|--------------------------|--------------------------|---------|
|                | Equipment Name             | NQCL No./Code     | Date of Last Calibration | Date of Next Calibration | Remarks |
| 1.             | Labinda dissolution tester | NQCL/L19/2012/403 |                          |                          |         |
| 2.             | Weighing Balance           |                   |                          |                          |         |
| 3.             | HPLC Q                     | NQCL/L19/2012/390 |                          |                          |         |
| 4.             | pH Meter                   | NQCL/L6/1994/101  |                          |                          |         |
| 5.             |                            |                   |                          |                          |         |
| 6.             |                            |                   |                          |                          |         |
| 7.             |                            |                   |                          |                          |         |
| 8.             |                            |                   |                          |                          |         |
