CERTIFICATE OF ANALYSIS

Name of Working Standard : LEVOFLOXACIN HEMIHYDRATE

Batch No. : C008-1408304 AR. NO. : WS/LVX/02/14

Mfg. Date : 08/2014 Preparation Date : 04/01/15

Exp. Date : 08/2018 Use before : 03/01/16

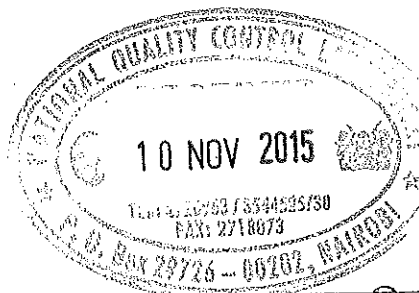

Quantity Prepared : 24500 mg No. of Vials : 7

Qualified against reference standard : LEVOFLOXACIN Lot / Batch No : G0J406

| S.No. | Test | Specification | Results |
|-------|--|--|---|
| 1 | Description | Almost white to light yellow crystalline powder | Complies, Light yellow crystalline powder |
| 1 | Identification | | |
| 1a | By IR | IR spectrum of test preparation matches with the IR spectrum of Levofloxacin Working Standard. | Complies |
| 2 | Water | 2.0 to 2.8%w/w | 2.31 %w/w |
| 3 | Assay | | |
| 3a | A. On ODB / OAB B. On as such basis | 98.50 to 101.50%w/w (Oab) | 99.92 %w/w (Oab) 97.61 %w/w |

Storage Condition : Store at 2 to 8°C

Remarks : The above material can / can not be used as working standard.
